To whom it may concern,  
RE: Elite Aerospace Coatings  
Brian Hill and the Elite Aerospace Coatings team were responsive, efficient and easy to deal with. We were very satisfied with all aspects of the Learjet 43 re-paint process.  
The final product was better than what we had expected and their attention to detail was evident.  
ExecuJet Australia would recommend Elite Aerospace Coatings for aircraft painting and would gladly provide a further reference if required.

Yours sincerely,

Des Miles  
Maintenance Manager - Sydney
